PER-ORAL ENDOSCOPIC MYOTOMY

A HANDS-ON COURSE

CONTINUING MEDICAL EDUCATION

FRIDAY, FEBRUARY 24, 2017
Campus of University Hospitals Cleveland Medical Center and
Case Western Reserve University School of Medicine
Cleveland, Ohio
PER-ORAL ENDOSCOPIC MYOTOMY
A HANDS-ON COURSE
This course is an update in new technology for research and clinical application of Per-Oral Endoscopic Myotomy (POEM) for the treatment of achalasia and other esophageal motility disorders. The course is for Gastroenterologists and Surgeons. This course will provide information regarding the techniques, indications, and complications which will be encountered by the gastroenterologist and general surgeon. Course content will include state-of-the-art lecturers, panel discussions, instructive video presentations and a porcine laboratory session. A live POEM case broadcast is planned.

Educational Objectives
After attending this program, participants will be able to:
- Discuss the history of advanced endoluminal techniques and Per-Oral Endoscopic Myotomy (POEM).
- Demonstrate the technical components of POEM in a porcine lab setting.
